SM-12 双头全自动烫标机
TWIN HEAD AUTO SCALDING MACHINE

双头设计 效率翻倍
Twin-head design, efficiency doubles

产品买点 Buying points

1、双头设计，效率提升100%，减少人工50%
2、仿生机械手臂，全程实现自动抓标和放标
3、全新技术，智能自动升降标仓
4、全新技术，超大容量放标仓，一次可容50-100个标，减少喂标频率
5、独具匠心设计，全自动收料，大大提升效率
6、一键切换，手动和自动模式

1. Double-head design,100% efficiency improvement, 50% reduction of manual work.
2. Biomimetic manipulator to realize automatic marking and marking in the whole process
3. Newest Technology, intelligent automatic elevating and lowering label store
4. Super-large size label store can accommodate 50-100 labels, reducing the frequency of labels-feeding
5. Unique ingenious design, automatic products collection, greatly improve efficiency.
6. One buttom switching, manual and automatic mode

适用范围 Application

适用于：
商标烫制

Applied to
Lable scalding

主要规格 Main Specification

设备参数/Equipment parameters	SM-12
交流电压 AC voltage	AC 220V
功率 Power	1500W
额定气压 Rated air pressure	> 0.6 Mpa
最大温度 Maximum temperature	230
标准商标尺寸 Standard trademark size	10cm x 10cm
最大标尺寸 Maximum trademark size	25cm x 25cm(可定制多种尺寸Customizable)
机器尺寸 Machine dimensions	1670(Length) x 730(Width) x 1680(Height)mm
包装尺寸 Package size	1460(Length) x 880(Width) x 1790(Height)mm
净重 Net weight	137kg
毛重 Gross weight	229kg
